The NCTE Hqrs. vide letter dated 30.08.2013 directed as follows:-

The NCTE Hqrs. has observed that the Regional Committees had been summarily rejecting applications of the institutions which could not make payment of the processing fee on or before the submission of online applications due to some technical reasons. The entire matter was placed before the Council in its 31<sup>st</sup> Meeting held on 29<sup>th</sup> July, 2013 for consideration of a policy decision that these applications may be considered if payment has been made on the next banking/working day following that date of submission of the application, since the software does not follow for payment of the processing fees either on or before the date of submission of applications.

The committee noted the direction of the NCTE Hqrs. and decided to process such cases accordingly.
